# 3C Team Building & Training

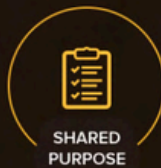

## TRANSFORM YOUR ESCAPE EXPERIENCE INTO A FUN AND MEANINGFUL LEARNING OPPORTUNITY

The most popular feedback we hear after our Effective Teamwork workshops is:

*"WOW, I can't believe how many insights and lessons could be gleaned from the escape experience that apply to our ongoing workplace collaboration. That was so useful, and fun!"*

We have partnered with 3C Team Building and Training since 2015 and have helped over 350 work teams transfer important lessons from their escape room back to their workplace through our **Effective Teamwork: Lessons from an Escape Room team building package**.

### IN TODAY'S ECONOMY, HIGH PERFORMING TEAMS HAVE

### THESE ARE THE SAME CHARACTERISTICS NEEDED FOR SUCCESS IN AN ESCAPE ROOM

*"This experience was incredibly valuable. We appreciated the way the workshop highlighted dynamics and behaviours in the escape room that can be directly related back to our business. The opportunities that we brought to the surface as a group, through Jay's facilitation, are being implemented right now to improve our culture and our success as a team. We highly recommend this experience to other organizations."*

Tom Riley, Managing Director, S.i. Systems Ltd.
