Escape Manor's upper-level houses Toronto's premier axe-throwing arena. Our professional team will greet, coach and guide you every step of the way. Group games and challenges will bond your team and teach them a new sport. After some friendly competition, bigger axes will be introduced and a final throwdown will be held/champions will be crowned.

We take great pride in our upscale axe experiences. Ensuring our guest's safety is priority #1. Our coaches and service team are all Smart Serve certified and trained to ensure any thrower who wishes to enjoy a beverage in their experience is looked after and kept safe along with those around them.

“You and your team are trapped in a perilous location and situation, using wit, logic, problem-solving and teamwork; do you have what it takes to survive?”

Escape Rooms are a physical adventure game in which players solve a series of puzzles and riddles using clues, hints, and strategies to complete the objectives at hand. Players are given a set time limit to unveil the secret plot which is hidden within the rooms.

3C Team Building & Training

TRANSFORM YOUR ESCAPE EXPERIENCE INTO A FUN AND MEANINGFUL LEARNING OPPORTUNITY

The most popular feedback we hear after our Effective Teamwork workshops is:

"WOW, I can't believe how many insights and lessons could be gleaned from the escape experience that apply to our ongoing workplace collaboration. That was so useful, and fun!"

We have partnered with 3C Team Building and Training since 2015 and have helped over 350 work teams transfer important lessons from their escape room back to their workplace through our **Effective Teamwork: Lessons from an Escape Room team building package**.

IN TODAY'S ECONOMY, HIGH PERFORMING TEAMS HAVE

THESE ARE THE SAME CHARACTERISTICS NEEDED FOR SUCCESS IN AN ESCAPE ROOM

"This experience was incredibly valuable. We appreciated the way the workshop highlighted dynamics and behaviours in the escape room that can be directly related back to our business. The opportunities that we brought to the surface as a group, through Jay's facilitation, are being implemented right now to improve our culture and our success as a team. We highly recommend this experience to other organizations."

Tom Riley, Managing Director, S.i. Systems Ltd.
